Ah...

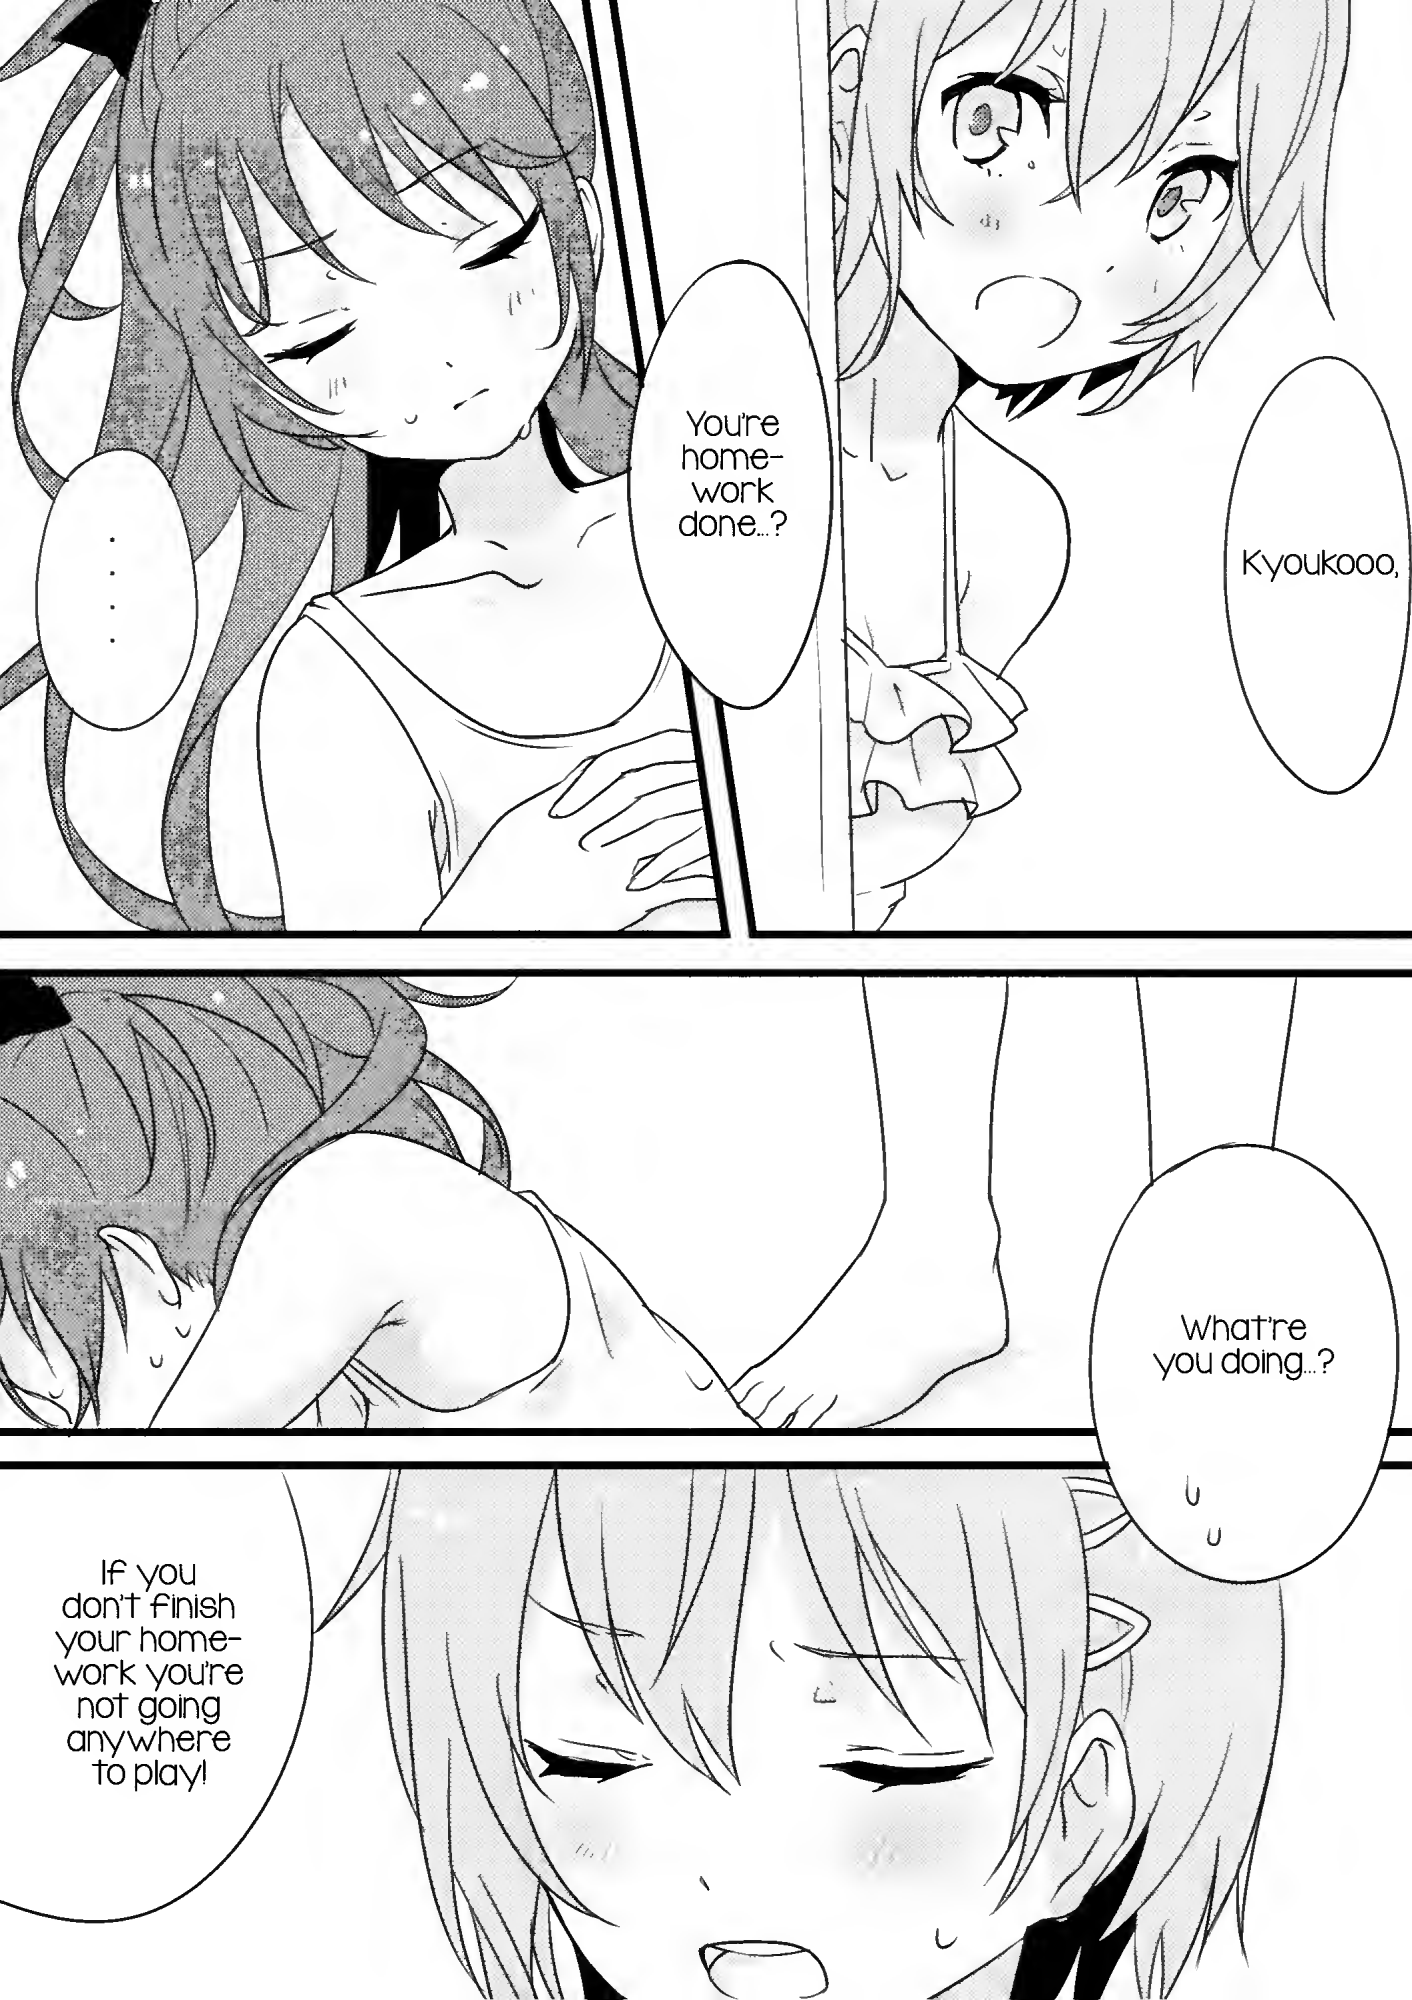
It's so hot...



Kyoukooo,
You're home-work done...?
.....
What're you doing...?
If you don't finish your home-work you're not going anywhere to play!

JUMP
No way! I don't wanna!
Come on Kyouko, you promised to do your homework before you play...
I- I did, but...
now that we're living together, Sayaka, I've really been looking forward to our first summer vacation.

BONK
And I could always just copy your homework if it gets too late.
Ow
Ky-Kyouko...?!
JUMP
Sayaka, you're a bully!
Let's go have some fun, please...!
Seriously...
Eh... uuuum, sure...

Really?!
You're the best! Sayaka!
Ugh, It's hot!
Guess it can't be helped...
Sayaka is so nice!
Now we can go play!

So, we went to the sea.
ざー
That reminds me, you said you couldn't swim, right?
Yeah, pretty much.
.....

Ah! Sayaka, there's a crab, a crab!
Can you eat it?
Uh, yeah. Not gonna happen...
Okay, okay, I know. Now let's go get changed, all right?
Okay, then Sayaka, you have to teach me how to swim!
I really went all out this year!
Hey, it's cute, right?!
...Oooh!

Kyou...
W-what is it...?
SQUEEZE...
bluuush
You're the absolute cutest, Sayaka.
It is really cute, I love it.
I-I know, sorry, ah, just wait a sec!

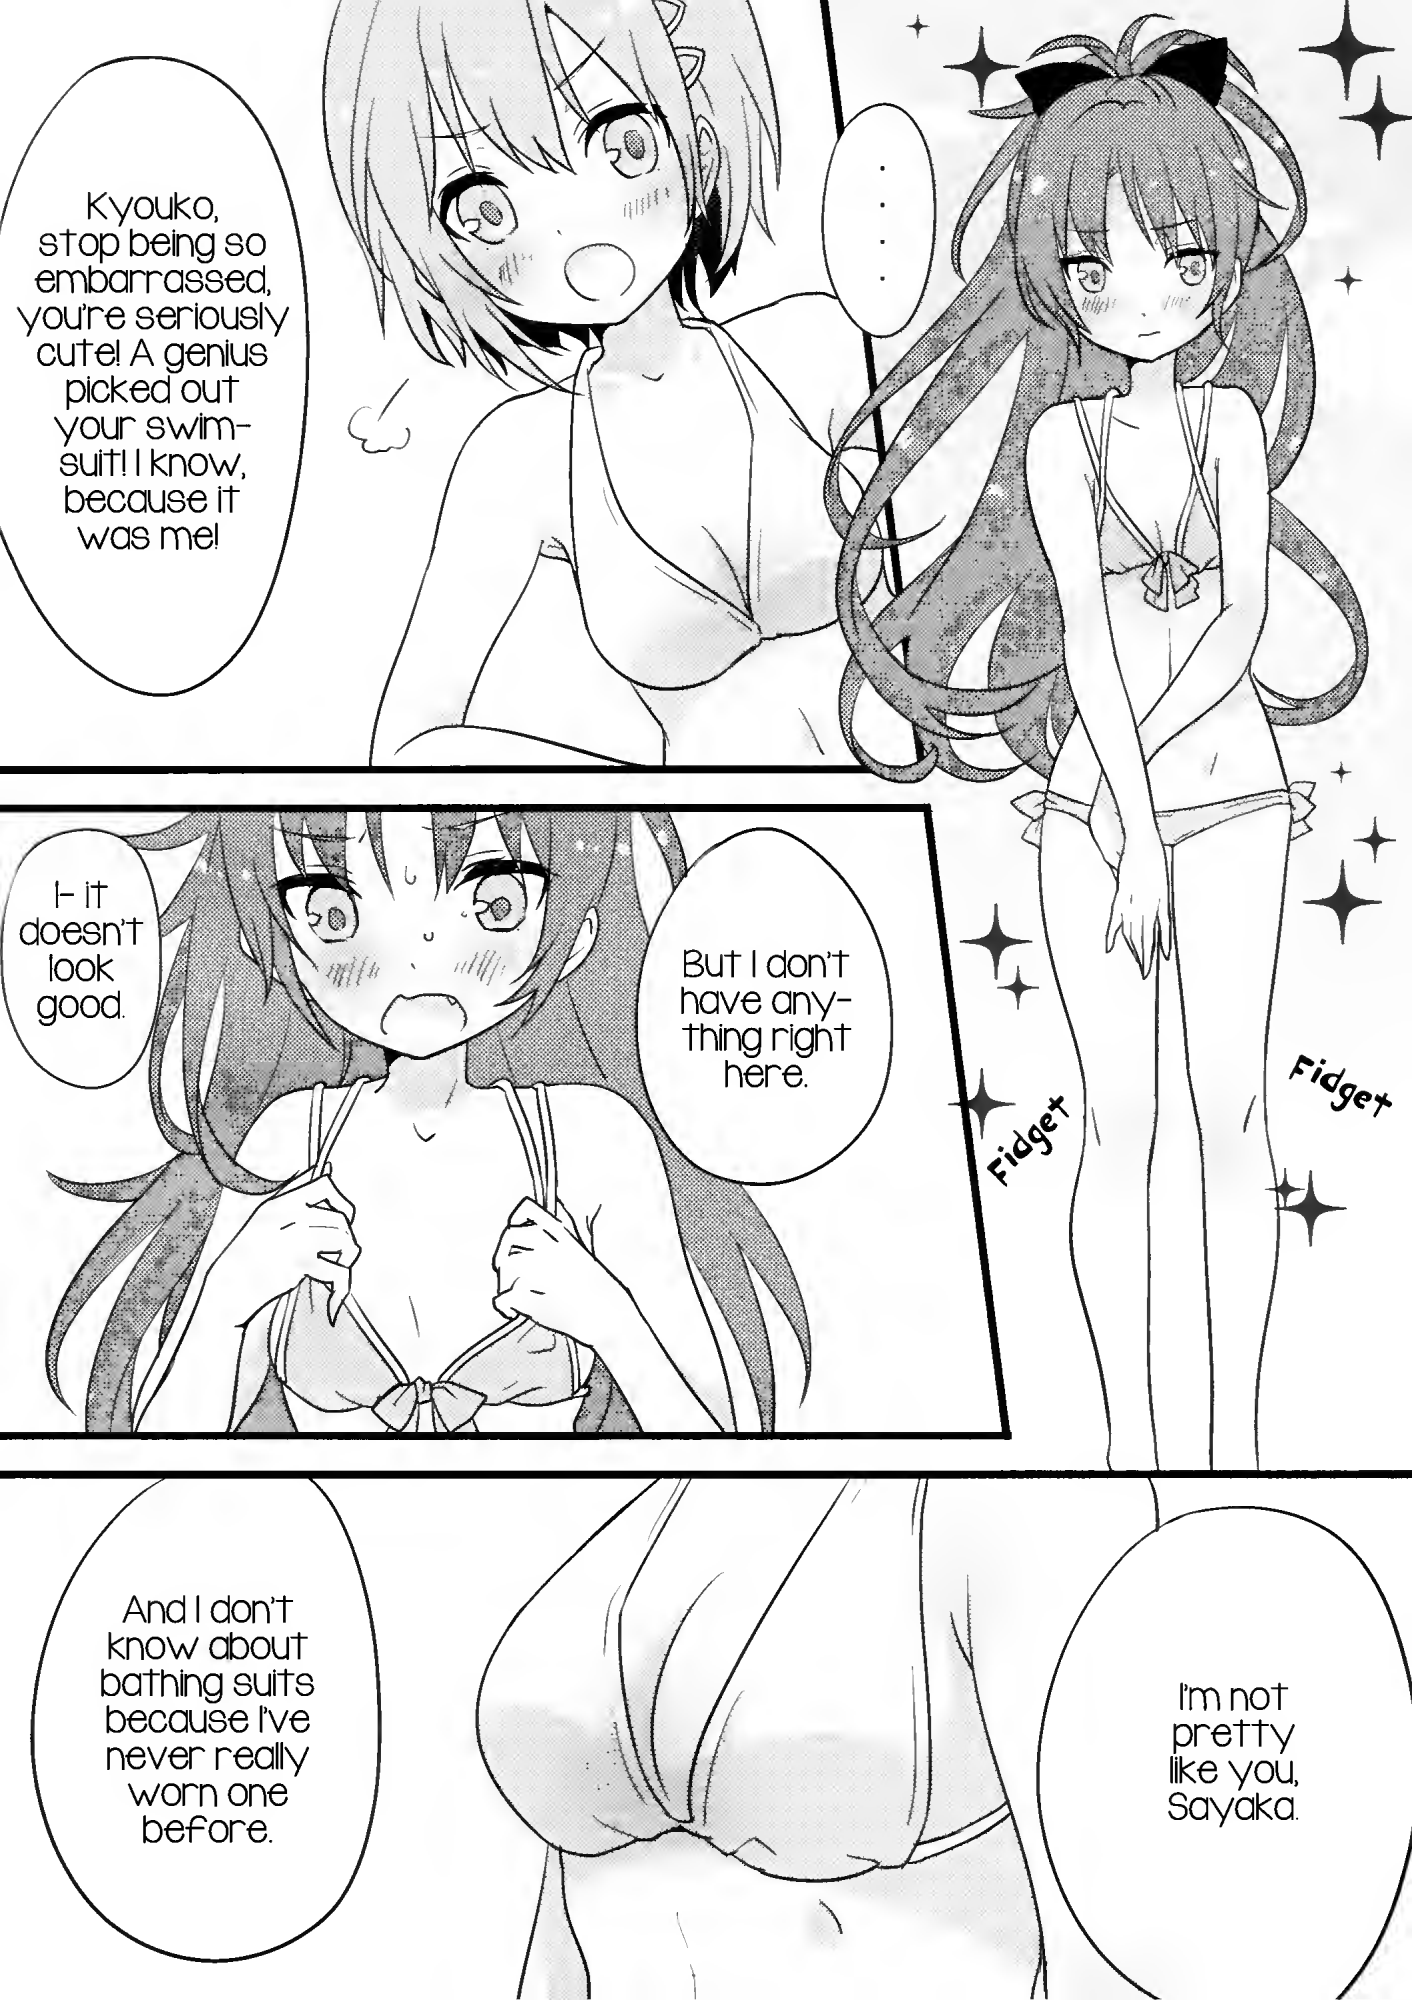
Geeeez, you get changed too, Kyouko. We came here because of you!



Kyouko, stop being so embarrassed, you're seriously cute! A genius picked out your swim-suit! I know, because it was me!
. . . .
I- it doesn't look good.
But I don't have anything right here.
Fidget
Fidget
And I don't know about bathing suits because I've never really worn one before.
I'm not pretty like you, Sayaka.

And so, since Sayaka is such a cutie,
Wha...
swish
D- don't talk like that!
I'm gonna keep you all to myself.
Ky...

H-heeey, Kyouko, we can't do this here...
grab
Eeeh, why not?
swish
I don't see a problem.
No, it's definitely a problem!

あとがき

はじめまして、こんにちは。ゆつもえと申します。
まどマギ同人誌を作るのは、本誌で２度目となります。
まだまだ上手に形に出来ていない点もございますが、一生懸命作りました！
叛逆後の、ラブラブいちゃいちゃな杏子とさやかを妄想をするのが好きです。
今後も杏さやをいっぱい描きたいと思いますので、宜しくお願い致します♨
